RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

The lagoon, the ovals, the landscape and the disregard for the families on the northern beaches who live, work and play in this area is being completely disregarded by the placement of this tower. This tower will forever ruin the aesthetic of this family-based sporting culture. The proximity to the local schools is alarming.

The Lagoon Friends have worked tirelessly to restore Curl Curl Lagoon as this area was the local tip. North Curlly takes pride in this area and with regular clean up days and planting to create green, clean spaces for generations to come. This tower undermines all the work done and the continues to be done for our community. Please think forward for our children to come and do not place this unsightly, and potentially detrimental to our health, tower here.
