**RE: DA2024/1362 - 40 Myoora Road TERREY HILLS NSW 2084**

To whom it may concern,  
I strongly support The Boathouse Group's proposal. This would have such a positive impact on Terrey Hills and surrounding suburbs, not only providing us locals with a fantastic venue to take our family too but also increasing the value of our homes and hopefully bringing more young families to the community. The local public school needs more students and this is the sort of venue that will put Terrey Hills on the map, along with the other great venues such as The Palms and Shortys. The current site is overgrown and doing absolutely nothing for the community as it is.
