

Date	07/05/2021
Reference	Proposed Alterations & Additions
Address	137 Fisher Rd N, Cromer NSW 2099
Certificate	Stormwater Design Certificate

To whom it may concern,

I **Amir Entezami** from **SDS Engineering** certify that the stormwater and hydraulic engineering plans for the address 137 Fisher Rd N, Cromer, have been designed in accordance with normal engineering practice and meet the requirements of the National Construction Code and all the relevant deemed-to-comply Australian Standards it draws upon. These include:

- *AS:3500.3 (2018) – Plumbing and Drainage – Stormwater Drainage*
- *The requirements of Northern Beaches Council's provisions for the management of stormwater.*

The design is represented on SDS Engineering's plans (Job No.: 210118, Rev.: 'A', Dated: 07/05/2021).

Please note that any modifications or amendments to the site or architectural drawings which alters the existing system as presented by SDS Engineering's plans will void this letter of advice.

SDS Engineering maintains indemnity insurance concordant with the scope of the undertaken works to the satisfaction of its Client; however our involvement in this shall in no way be construed of relieving other parties of their legal obligations.

If you require any further information, please do not hesitate to contact us at any time.

Yours Faithfully,

**Amir Entezami**  
**Managing Director | SDS Engineering**
