Dear rob.

I confirm that during the meeting today at 11.30am at 35 McKillop Rd. Beacon Hill. NSW

The two tree species on the northern boundary front side garden are as follows.

Eucalyptus Nicholii. This tree is exempt from the DCP / LEP protection and may be removed without an NBC tree removal permit.

The adjacent other tree is a Melaleuca Quinquenervia paperbark and is below 5m in height and is also exempt. Tree removal is permitted without a tree removal permit from NBC.
