Re: DA 2021/ 0005 1858 Pittwater Rd. Church Point NSW 2105

Dear Sir/ Madam,

We are against the proposed development which will lead to further commercialisation of Thomas Stephen Reserve.

This proposal will bring more patrons to the area and will make worse the already strained parking situation.

This space is like a village square, it is a space where the residents of the community of Church Point and offshore gather. The space is also used as a gathering place for events such as ANZAC day, Christmas Carols and many other events.

Thomas Stephens Reserve is also the passage way to the ferry for residents and children going to work and to school. It is a space where they can wait for the ferry while enjoying a coffee, a cup of tea, or a soft drink.

Yours faithfully,

Frank Soriano and Teresa Soriano
