RE: DA2021/1508 - 882 A Pittwater Road DEE WHY NSW 2099

Dear NB Council.

I object to this application.

Being a direct neighbor to this proposed property we have already endured years of construction issues and problems to our building from Meriton, the corner block demolition on Oaks Ave, dust, noise, excess traffic congestion.

A boarding house is not wanted in this area. Please think of local residents and safety. We already cannot find local parking near our residences and Oaks avenue has major congestion in traffic and sometimes takes 3 sets of lights to even turn onto Pittwater water. The local area and roads simply cant take this.
