**RE: DA2023/0718 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Dear Sir

I write to support this Development Application from Bayview Golf Club. I believe the application is uncontroversial. It enhances the golf course and hence the natural environment. It provides enjoyment and leisure activity for a significant number of local residents, without impinging on the course's neighbours. The course protects local fauna and provides them with sanctuary and also assists in preventing runoff to local creeks.

I commend the application to you.
