**RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107**

Apart from the destruction of trees on this slope there is also a serious question about any driveway off this block. Having walked around Bilgola bends a few times I can testify to the steepness and a lack of footpaths, a dangerously narrow and winding road on a steep slope, prone to land slip. It would be a disaster in a number of ways.
