Subject: Development application DA 2023/0868

I'm writing to you to give feedback on the development application 2023/0868.

My family have built & lived in Cumberland Ave since 1958 and so very few people have the relationship with, or knowledge of, the area that I am providing to you here.

I definitely do not want the application to be approved due to these reasons...

1. Inconsistent with the desired future character of the area.
- 2) Loss of neighborhood, and fails to create a better environment.

I know that the local people will fight back against this proposal and any future proposals that are similar in nature.

Kind Regards
Glen pattison
