RE: DA2024/1003 - 3 Rickard Road NORTH NARRABEEN NSW 2101

Good afternoon

I refer to the proposed development at 1-5 Rickard Road Narrabeen.

We are the owners of 2-8 Rickard Road Narrabeen. We support the proposed development at 1-5 Rickard Road Narrabeen, and note that an alternative to a flood storage system has been incorporated in this design. We have no objection to the alternative flood storage solution, and if Council were to deem that appropriate, we may seek to apply that to our own development at 2-8 Rickard Rd Narrabeen

Regards
Anthony Gleeson
