RE: DA2024/0946 - 80 Undercliff Road FRESHWATER NSW 2096

I live on Undercliff Rd, directly opposite Pilu Restaurant.

I support the application to continue operating the restaurant and wedding venue as it currently is.

The only sounds I have ever heard from Pilu Restaurant are from the outdoor terrace. It is the occasional, gentle applause when a couple is announced as married. It is a pleasure to hear such a celebration!

I note that in 1980, the former operators of this premises made a \$50,000 contribution towards parking.

The Pilu Family has made a valuable contribution to Freshwater both through their excellent restaurant and philanthropic pursuits.
