RE: DA2022/0631 - 29 Johnson Street FRESHWATER NSW 2096

We note the addition of a new fence and pedestrian gate on the northern boundary (Wyndora Avenue) and that the existing fence that will be demolished extends onto the surveyed land for 27 Johnson Street (refer to boundary survey by David Stutchbury, Doc. no. 8381/13). We request that the new northern gate and boundary fence is not installed on 27 Johnson Street and that it extends only to the surveyed boundary between 27 and 29 Johnson Street.

Kind Regards
