Hi there,

As a regular user of the Collaroy - Narrabeen beach, I think it is devastating that additional seawalls are planned. It really affects the locals from enjoying the beach.

The seawalls are not only ugly and affects the beauty of Collaroy but it has been proven to have a detrimental effect on the surf break.

I also believe there was inadequate consultation from council and the community during this Seawall proposal.

It'd be great to hear any updates on this proposal.

Thank you

Julia
