RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

I have lived in Stirgess Avenue for over 40 years and visit the Harbord bowling club regularly. I love the fact our local area caters for such a large variety of sports and youth groups like Scouts however i am concerned our streets have become quite dangerous and unsafe due to the amount of traffic and lack of parking.

Noise would also be a concern with these markets.

There is already a distinct lack of parking due to the various sports played on a daily basis. There will be cars, trucks and vans driving down local streets from 6am to set up the market, there will be noise from the PA system, buskers/music, generators and motorised equipment throughout the day, then the same in the evening to close.

It is a big ask for the local residents to have to deal with on a weekly basis , especially on a Sunday.
