I have been a member of Harbord Women's Bowling Club for the past 11 years.

I am really pleased to see that Harbord Diggers will be able to finally complete the Bowling Green.

It has been a long wait, and have missed the beautiful vista of Bowls at Diggers.

Bowls is a great activity sport for everyone, be it young or older persons. It has wonderful social and physical connection.

Have very much missed it during this COVID time.

I do hope that Northern Beaches Council will favourably pass the D.A for Harbord Diggers Bowling Green.
