Reference is made to Council's correspondence dated 23 November 2021, regarding the abovementioned application which was referred to Transport for NSW (TfNSW) for comment in accordance with 17 of the *State Environmental Planning Policy No 64 - Advertising and Signage*.

TfNSW has reviewed the submitted application and raises no objection to the application as it is unlikely to have a significant impact onto the classified road network. TfNSW requests that the following condition is incorporated into any consent issued by Council:

1. All buildings and structures (including signage), together with any improvements integral to the future use of the site are to be wholly within the freehold property (unlimited in height or depth), along the Warringah Road boundary.
