RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

As most of the local residents have pointed out, this DA is very unpopular as it is wrong from a size, street scape, traffic, parking, congestion with nearby facilities that compete for the space.

The best thing that the NB Council could do is compulsorily acquire the site and use it for pre-school kindergarten, seniors centre and open space for the community to enjoy.
