Subject: NOTICE OF PROPOSED DEVELOPMENT - DA2021/1919

ATTENTION: CLAIRE RYAN – PLANNER.

Confirming our phone discussion this morning at 9.45 on 8th November, 2021 re above proposed development. Our concern is the original substantial rendered and painted masonry boundary wall between 105 Florida Road, Palm Beach (proposed pool site) and 107 Florida Road, Palm Beach (our property). Council has suggested to us today, that it will require before and after photos of boundary wall closest to the rock excavation as specified in Table 3 geotechnical report.

Thank you and regards

Beverly Gibson
