RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I am the owner of 4/37 Adams Street, Curl Curl, This development is in close distance to my unit.

I object to the proposed development.

I believe that an electromagnetic radiation infrastructure so close to our home, local school and sporting fields is a major health concern. I have concerns about the long term health effects, particularly on children.

I also think that the proposed installation of a 25.7m high monopole along with a raised platform and solid metal enclosure is going to be very unsightly, particularly considering the vicinity from our beautiful beaches.
