To whom it may concern,

My Husband (Steve Caproni) and I (Marisa Caproni) owners of 18 Windermere PL, Wheeler Heights would like to apply for removal of our privacy screen with permission from our side neighbors Brendan and Shannon (20 Windermere PL, Wheeler Heights) due to promote a more open friendly environment and community feel for our families after the completion of our recent extension of our deck.

Being close neighbors to Brendan and Shannon, we regularly have conversations from our deck/backyards and have done for the last 10 years.

Our back fence has large trees which are fully grown acting as a natural screen for both our rear neighbors 105 & 107 Southcreek Rd, Wheeler Heights.

Please find enclosed a letter signed by our Brendan and Shannon with consent to go ahead with the removal of the screen as well as photos supporting this.

Many thanks,

Marisa & Steve Caproni
