Dear Olivia,

**RE: Support for MWDCA DA Application - 11 Boola Place, Cromer DA2023/1237.**

On behalf of the Manly Warringah Junction Cricket Association I would like express our full support for the development of an indoor cricket facility at 11 Boola Place, Cromer.

The Northern Beaches is significantly behind other localities in providing all year all weather training facilities for cricketers young and old. This has been the case for nearly 30 years.

Whilst this development is proposed by the Manly Warringah District Cricket Club it will no doubt particularly serve the younger generations and support the sustainment and growth of the Manly cricket pathway across both male and female cricket.

Warm regards,

Toby Horstead
