

## NOTICE OF DETERMINATION OF DEVELOPMENT APPLICATION

**Development Application No:** DA 2006/242

### DEVELOPMENT APPLICATION DETAILS

**Applicant Name:** Michael Peter Andrews

**Applicant Address:** 48 Timaru Road Terrey Hills NSW 2084

**Land to be developed (Address):** Lot 70, DP 238658, 48 Timaru Road Terrey Hills

**Proposed Development:** Upper storey additions and deck

### DETERMINATION

**Made on (Date):** 9 August 2006

**Consent to operate from (Date):** 9 August 2006

**Consent to lapse on (Date):** 9 August 2011

### Details of Conditions – (including Section 94 conditions)

*The conditions, which have been applied to the consent, aim to ensure that the Environmental Impacts of Development are minimised and the Health and Safety of the community is maintained in accordance with the relevant standards and the Building Code of Australia.*

### NOTE:

*If the works are to be certified by a Private Certifying Authority, then it is the certifier's responsibility to ensure all outstanding fees and bonds have been paid to Council prior to the issue of the Construction Certificate or as otherwise specified by Consent conditions.*

## GENERAL CONDITIONS

### CONDITIONS THAT IDENTIFY APPROVED PLANS

#### 1. Approved Plans And Supporting Documentation

The development is to be carried out in compliance with the following plans and documentation listed below and endorsed with Council's stamp, except where amended by other conditions of consent:

Drawing Number	Dated
5001-A2	7/03/06
5001-A1	7/03/06
5001-A4 Revision A	21/05/06
5001-A3	7/03/06
5002-A6A	21/05/06
5001-A5	7/03/06
5002-A8	7/03/06
5002-A7	7/03/06
5002-A20	21/05/06

No construction works (including excavation) shall be undertaken prior to the release of the Construction Certificate.

**Note:** Further information on Construction Certificates can be obtained by contacting Council's Call Centre on 9942 2111, Council's website or at the Planning and Assessment Counter.

**Reason:** *To ensure the work is carried out in accordance with the determination of Council and approved plans. [A1 (1)]*

#### 2. Plans on Site

A copy of all stamped approved plans, specifications and documents (including the Construction Certificate if required for the work incorporating certification of conditions of approval) shall be kept on site at all times so as to be readily available for perusal by any officer of Council or the Principal Certifying Authority.

**Reason:** *To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information and to ensure ongoing compliance. [A2]*

### **3. Compliance with notations in red on plans**

Compliance with notations made in red on the face of the plans. Amended plans demonstrating compliance with these notations are to be submitted and approved by an accredited certifier prior to the issue of the Construction Certificate.

***Reason:** To ensure compliance with the conditions of this consent*

### **4. Demolition of Extra Fabric**

Alterations to, and demolition of the existing building shall be limited to that shown on the approved plans (by way of notation). No approval is given or implied for removal and/or rebuilding of any portion of the existing building which is shown to be retained.

***Reason:** To ensure compliance with the approved development. [A3]*

## **CONDITIONS THAT REQUIRE SUBSIDIARY MATTERS TO BE COMPLETED PRIOR TO ISSUE OF A CONSTRUCTION CERTIFICATE**

### **5. Kerb Security Bond**

A bond of \$825.00 shall be deposited with Council and inspection fees paid, prior to the issue of any construction certificate, against the potential for damage to Council's footpath and road reserve infrastructure during the construction process. (See Schedule)

***Reason:** To ensure appropriate security is in place for the protection or repair of Public Infrastructure. [C16]*

### **6. Protection of Footpaths and Roadways**

The public footways and roadways adjacent to the site shall be maintained at all times during the course of the work in a safe condition.

***Reason:** Protection of footpath and roadways. [C22]*

### **7. Roofing Materials - Reflectivity**

The external finish to the roof shall have a medium to dark range in order to minimise solar reflections to neighbouring properties. The metal roof shall not be of light colours such as off white, cream, silver or light grey colours. Details being submitted with the Construction Certificate.

***Reason:** To ensure that excessive glare or reflectivity nuisance from roofing materials does not occur as a result of the development. [C55]*

## 8. Pool Access

Access to the pool shall be restricted by a child resistant barrier in accordance with the regulations prescribed in the Swimming Pools Act, 1992 and Swimming Pools Regulations, 1998:

- (a) The barrier is to conform to the requirements of AS 1926 Fences and Gates for Private Swimming Pools.

Details demonstrating compliance with this requirement are to be approved by the Council / Accredited Certifier prior to the issue of the Construction Certificate.

**Reason:** To ensure the safety of children and make applicant aware of the need to comply with applicable pool fencing legislation. [C68]

## 9. Security Bond Schedule

All fees and security bonds in accordance with the schedule below must be paid or in place prior to the issue of the required Construction Certificate:

<b>SECURITY BOND &amp; FEE SCHEDULE</b>	
48 Timaru Road, TERREY HILLS (Property address)	
DEVELOPMENT APPLICATION NUMBER 2006/0242DA	
<b>SECURITY BONDS</b>	<b>AMOUNT (\$)</b>
Builders Road/Kerb Security Bond	\$825.00
<b>TOTAL BONDS</b>	<b>\$825.00</b>
<b>FEES</b>	
<b>Kerb Security Inspection Fee</b>	\$200.00
Long Service Levy	\$980.00
Fees if Council is PCA	\$1,375.00
<b>TOTAL FEES</b>	<b>\$2555.00</b>

**Reason:** Compliance with the development consent. [C71]

## 10. Stormwater

All collected roof and surface waters are to be piped to Council's street gutter drainage system or an adequately designed stormwater absorption system.

**Reason:** To ensure proper stormwater disposal

## 11. Privacy screen

The proposed privacy screen is to be reduced in height so as not to exceed 1.65m above finished floor level of the deck as indicated in red on the approved plans. Details demonstrating compliance shall be submitted and approved by Council/PCA prior to the issue of the occupation certificate.

*Reason: Consistency with the General Principles of Development Control*

## CONDITIONS THAT MUST BE ADDRESSED PRIOR TO ANY COMMENCEMENT

## 12. Construction Certificate

A Construction Certificate is required to be approved and issued by either Council or an Accredited Certifier, prior to the commencement of any works on the site.

*Reason: Legislative requirements. [D3]*

## 13. Notice of Commencement

At least 2 days prior to work commencing on site Council must be informed, by the submission of a Notice of Commencement in Accordance with section 81A of EP & A Act 1979 of the name and details of the Principal Certifying Authority and the date construction work is proposed to commence.

*Reason: Legislative requirement for the naming of the PCA. [D4]*

## 14. WorkCover

Your attention is directed to the need to seek advice of your obligations from the WorkCover Authority prior to the commencement of any works on the site.

*Reason: Statutory requirement. [D5]*

## 15. Excavation/Building Works

No excavation or building works shall be carried out until a Construction Certificate has been issued.

*Reason: To ensure compliance with statutory provisions. [D13]*

## 16. Inspection Fees

Where Council is acting as the Principal Certifying Authority and where an inspection of building, civil or landscape work is required by these conditions, inspection fees and component certification fees must be paid to Council before Council will undertake any inspections. These fees may be paid at the time of submission of the required Notice of

Commencement of works. This condition applies regardless of whether a Certification fee is also payable.

Note: The submission of a Notice of Commencement of works form to Council at least two (2) days prior commencing works is a statutory requirement.

**Reason:** *Statutory requirement and information. [D14]*

#### **17. Cigarette Butt Receptacle - Residential**

A cigarette butt receptacle is to be provided on the site for the duration of demolition/construction process, for convenient use of site workers.

**Reason:** *To ensure adequate provision is made for builders' waste. [D16]*

### **CONDITIONS THAT MUST BE COMPLIED WITH DURING DEMOLITION AND BUILDING WORK**

#### **18. Progress Inspections (Class 1 and 10 Buildings)**

The Principal Certifying Authority (PCA) SHALL BE given a minimum of forty-eight (48) hours notice for mandatory inspection of the following:

- (a) At the commencement of the work, and
- (b) After excavation for, and prior to the placement of any footings, and
- (c) Prior to covering of the framework for any floor, wall roof or other building element, and
- (d) Prior to covering over stormwater drainage connections, absorption pits and other drainage works, and
- (e) After the building work has been completed and prior to any Occupation Certificate being issued in relation to the building.

The appointed Principal Certifying Authority MUST do the first inspection at the commencement of building work, and at completion of building work.

Notes:

- (1) The appointed Principal Certifying Authority has a discretion to determine additional inspections, or nominate other Accredited Certifiers to undertake inspections other than the first and last inspections, which are required to ensure compliance or otherwise with relevant codes and standards. In any event, the Principal Certifying Authority MUST be advised at all of the stages of

construction identified above.

- (2) The PCA must advise the person with the benefit of the consent of the mandatory critical stage inspections referred to in the EP & A Regulations.
- (3) Where Warringah Council is acting as the Principal Certifying Authority for the project, notice is to be given by telephone to Council on 9942 2111 and requesting an relevant inspection. Failure to advise Council at the stages of construction identified above may result in fines being imposed.
- (4) Failure to advise the Principal Certifying Authority of the need for MANDATORY INSPECTIONS at the critical stages of construction detailed above may result in fines being imposed, works being required to be demolished, or delays experienced in obtaining final certification and occupation of the development in order to resolve issues.

**Reason:** Prescribed mandatory inspections under legislation. [E7]

#### **19. Replacement of Principal Certifying Authority**

If the person exercising the benefits of a development consent changes or replaces the Principal Certifying Authority (PCA) during works on the site, the replacement PCA must notify Warringah Council within two (2) days of appointment. If the original PCA was Warringah Council, written approval from Council must be obtained for any change to the PCA role.

(Note: Special legislative provisions in the Environmental Planning and Assessment Act 1979 apply to the procedure for replacing a PCA)

**Reason:** Statutory requirement. [E11]

#### **20. Replacement of Builder- (Class 1, 2, 3, 4 and 10 buildings)**

If the builder is replaced while residential building work is being carried out, the Principal Certifying Authority (PCA) must give Warringah Council written notice of the name, licence number, and insurer of head contractor (or name and permit number of the owner-builder) within two (2) days of their appointment/replacement.

**Reason:** Statutory requirement. [E12]

#### **21. Noise and Vibration**

Noise emissions and vibration must be minimised where possible and work is to be carried out in accordance with Environment Protection Authority guidelines for noise emissions from construction/demolition works and must also comply with the provisions of the Protection of the Environment Operations Act 1997. This Condition must be complied with during demolition and building work.

**Reason:** *To ensure residential amenity is maintained in the immediate vicinity. [E17]*

## **22. Dust Emission and Air Quality**

Materials must not be burnt on the site.

Vehicles entering and leaving the site with soil or fill material must be covered.

Dust suppression measures must be carried out to minimise wind-borne emissions in accordance with the NSW Department of Housing's 1998 guidelines - Managing Urban Stormwater: Soils and Construction. Odour suppression measures must be carried out so as to prevent nuisance occurring at adjoining properties. This Condition must be complied with during demolition and building work.

**Reason:** *To ensure residential amenity is maintained in the immediate vicinity. [E18]*

## **23. Construction Hours**

Building construction shall be restricted to within the hours of 7.00 am to 5.00 pm Monday to Friday and on Saturday to within the hours of 8.00 am to 1.00 pm inclusive, with no work on Sundays and Public Holidays.

Demolition and excavation works shall be restricted to within the hours of 8.00 am to 5.00 pm Monday to Friday only. (Excavation work includes the use of any excavation machinery and the use of jackhammers, rock breakers, excavators, loaders and the like, regardless of whether the activities disturb or alter the natural state of the existing ground stratum or are breaking up/removing materials from the site).

The builder and excavator shall display, on-site, their twenty-four (24) hour contact telephone number, which is to be clearly visible and legible from any public place adjoining the site.

**Reason:** *To ensure that works do not interfere with reasonable amenity expectations of residents and the community. [E26]*

## **24. Installation and Maintenance of Sediment Control**

Techniques used for erosion and sediment control on building sites are to be adequately maintained at all times and must be installed in accordance with Warringah Council guidelines. All techniques shall remain in proper operation until all development activities have been completed and the site fully stabilised. This Condition must be complied with during demolition and building work.

**Reason:** *To protect the environment from the effects of sedimentation and erosion from development sites. [E28]*

## 25. Prohibition on Use of Pavements

Building materials shall not be placed on Council's footpaths, roadways, parks or grass verges and a suitable sign to this effect shall be erected adjacent to the street alignment.

*Reason: To ensure public safety and amenity on public land. [E35]*

## OPERATIONAL CONDITIONS IMPOSED UNDER EP&A ACT AND REGULATIONS AND OTHER RELEVANT LEGISLATION

## 26. Building Code of Australia

All building work must be carried out in accordance with the provisions of the Building Code of Australia.

*Reason: Prescribed - Statutory. [F1]*

## 27. Home Building Act

- (1) Building work that involves residential building work (within the meaning and exemptions provided in the Home Building Act) must not be carried out unless the Principal Certifying Authority for the development to which the work relates:
  - (a) in the case of work to be done by a licensee under that Act:
    - (i) has been informed in writing of the licensee's name and contractor licence number, and
    - (ii) is satisfied that the licensee has complied with the requirements of the Home Building Act, or
  - (b) in the case of work to be done by any other person:
    - (i) has been informed in writing of the person's name and owner-builder permit number, or
    - (ii) has been given a declaration, signed by the owner of the land, that states that the reasonable market cost of the labour and materials involved in the work is less than the amount prescribed for the purposes of the definition of owner-builder work in section 29 of that Act, and is given appropriate information and declarations under paragraphs (a) and (b) whenever arrangements for the doing of the work are changed in such a manner as to render out of date any information or declaration previously given under either of those paragraphs.

Note: The amount referred to in paragraph (b)(ii) is prescribed by regulations under the Home Building Act 1989. As at the date on which this Regulation was gazetted, that amount was \$3,000. As those regulations are amended from time to time, that amount may vary.

- (2) A certificate purporting to be issued by an approved insurer under Part 6 of the Home Building Act 1989 that states that a person is the holder of an insurance policy issued for the purposes of that Part is, for the purposes of this clause, sufficient evidence that the person has complied with the requirements of that Part.
- (3) If arrangements for doing residential building work are changed while the work is in progress so that the information submitted to Council is out of date, further work must not be carried out unless the Principal Certifying Authority for the development to which the work relates (not being the Council), has given the Council written notice of the updated information.

***Reason:*** Prescribed - Statutory. [F2]

**Note:** Evidence of insurance required PRIOR to commencement of work.

## **28. Demolition**

Demolition work must be undertaken in accordance with the provisions of AS2601-Demolition of Structures.

***Reason:*** To ensure that work is undertaken in a professional and responsible manner and protect adjoining property and persons from potential damage. [F6]

## **29. Site Sign**

- (1) A sign must be erected in a prominent position on any work site on which work involved in the erection or demolition of a building is being carried out:
  - (a) stating that unauthorised entry to the work site is prohibited;
  - (b) showing the name of the principal contractor (or person in charge of the work site), and a telephone number at which that person may be contacted at any time for business purposes and outside working hours; and
  - (c) showing the name, address and telephone number of the Principal Certifying Authority for the work.
- (2) Any such sign must be maintained while building work or demolition work is being carried out, but must be removed when the work has been completed.
- (3) This condition does not apply to building works being carried out inside an existing building.

***Reason:*** Statutory requirement. [F9]

### 30. Toilets

- (1) Toilet facilities are to be provided, at or in the vicinity of the work site on which work involved in the erection or demolition of a building is being carried out, at the rate of one toilet for every 20 persons or part of 20 persons employed at the site.
- (2) Each toilet provided:
  - (a) must be a standard flushing toilet, and
  - (b) must be connected:
    - (i) to a public sewer; or
    - (ii) if connection to a public sewer is not practicable, to an accredited sewage management facility approved by the Council, or
    - (iii) if connection to a public sewer or an accredited sewage management facility is not practicable, to some other sewage management facility approved by the Council.
- (3) The provision of toilet facilities in accordance with this clause must be completed before any other work is commenced.
- (4) In this clause:

**accredited sewage management facility** means a sewage management facility to which Part 2 Division 4 of the Local Government Regulation 2005 applies, being a sewage management facility that is installed or constructed to a design or plan the subject of a certificate of accreditation referred to in of the Regulation.

**approved by the Council** means the subject of an approval in force under the Local Government Regulation 2005.

**public sewer** has the same meaning as it has in the Local Government Regulation 2005.

**sewage management facility** has the same meaning as it has in the Local Government Regulation 2005.

***Reason:*** *To ensure adequate facilities are provided for workers on the site. [F10]*

### 31. Long Service Levy

Payment of the Long Service Levy is required prior to the release of the Construction Certificate. This payment can be made at Council or to the Long Services Payments Corporation.

Advisory note: The rate of the Long Service Levy at the time of consent is 0.35% of the building construction works. At the time of consent, payment is not required where the value of the works is less than \$25,000. For works that are \$25,000 or over, a fee is required at the prescribed rate. The levy rate and level in which it applies is subject to legislative change. The applicable fee at the time of payment of the Long Service Levy will apply and is based on the building construction works identified in the Construction Certificate.

**Reason:** *Prescribed - Statutory. [F12]*

### **32. Heat Appliance**

The flue from the existing wood fired heater must comply with section 3.7.3 'Heating Appliances' of the Building Code of Australia. Details demonstrating compliance shall be submitted and approved by Council/PCA prior to the issue of the Construction Certificate.

**Reason:** *Statutory Requirement.*

## **CONDITIONS WHICH MUST BE COMPLIED WITH PRIOR TO ISSUE OF OCCUPATION CERTIFICATE**

### **33. Occupation Certificate Required**

An Interim / Final Occupation Certificate shall be obtained in relation to the approved works prior to any use or occupation of those parts of the building.

**Reason:** *To ensure compliance with the provisions of the Environmental Planning and Assessment Act. [G1]*

### **34. Termite Control**

(1) Termite control measures being installed in accordance with AS 3660.1-2000 "Termite Management: New Building Work."

**Reason:** *Termite control. [G6 (1)]*

### **35. Pool Safety Requirements**

The owner of the pool shall display a notice showing:

- (a) Appropriate instructions of artificial resuscitation methods.
- (b) A warning stating 'YOUNG CHILDREN SHOULD BE SUPERVISED WHEN USING THIS POOL'.

Note: This notice shall be kept in a legible condition and at the poolside.

***Reason:*** *To ensure an adequate level of safety for young pool users. [G19]*

**36. Pool Fencing (Gates)**

In accordance with Australian Standards any gates in the fence shall open outwards away from the pool area and be self closing and fitted with a latch which shall be automatic and of a type which cannot be easily manipulated by small children. Latches must be on the inside of the gate and as near as possible to the top.

***Reason:*** *To ensure compliance with the relevant standards. [G21]*

**37. Bushfire protection**

Construction shall comply with AS3959 - 1999 level 3 'Construction of Buildings in bushfire prone areas' to the Northern, Eastern and Western Elevations

***Reason:*** *Protection from bushfire and safety. [G33]*

**38. Bushfire protection**

Roofing shall have leafless guttering and valleys are to be screened to prevent the build up of flammable material.

***Reason:*** *Protection from bushfire and safety. [G35]*

**39. Bushfire protection**

All new fencing shall be constructed of non-combustible materials.

***Reason:*** *Protection from bushfire and safety. [G36]*

**40. Bushfire Protection**

Access to the rear of the property shall be provided for fire fighting purposes.

***Reason:*** *Protection from bushfire and Safety.*

**41. Bushfire Protection**

Construction shall comply with AS3959 - 1999 level 2 'Construction of Buildings in bushfire prone areas' to the Southern Elevation.

***Reason:*** *Protection from bushfire and safety.*

#### **42. Smoke Alarm**

Smoke alarms are to be installed throughout the new and existing portions of the Class 1a building in accordance with Part 3.7.2 Smoke Alarms of the Building Code of Australia

***Reason:*** *Safety*

#### **43. Landscape Open Space**

- a. A total of 25m<sup>2</sup> of the existing impervious surface are to be removed and converted to landscape open space as defined under Warringah LEP2000. Details demonstrating compliance shall be submitted and approved by Council/PCA prior to the issue of the occupation certificate.
- b. A survey, issued by a Registered Surveyor is to be provided to the Principle Certifying Authority prior to the issue of an interim or final occupation certificate for the works, certifying that the landscaped open space (as defined in WLEP 2000) is a minimum of 28% of the site area.

***Reason:*** *To provide landscape open space that contributes to the amenity of the area.*

#### **Right to Review by the Council**

You may request the Council to review the determination of the application under Section 82A of the Environmental Planning & Assessment Act 1979. Any request to review the application must be within 12 months after the date of determination shown on this notice.

***NOTE:*** *A fee will apply for any request to review the determination.*

#### **Right of Appeal**

If you are dissatisfied with this decision Section 97 of the Environmental Planning & Assessment Act 1979 may give you the right to appeal to the Land and Environment Court within 12 months after the date on which you receive this notice.

**Signed**                      on behalf of the consent authority
