Subject: Objection for a bus depot.

Please do not put the bus dept there,there are so many old people and young families that live in the valley. At the monent we cannt even cross the street without waiting for all the cars to pass. There are 2 schools here already. Trucks Passes by all day, my windows rattle, traffic is constant with people taking short cuts from mona vale rd. Macpherson st is busier then warriewood rd.
Thank you.
