RE: DA2018/1667 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

I have been in contact with the owner of the land, the relevant state Government department to request a copy of the lease in order to understand the terms of such lease. This has been denied, the officer suggested that I request a copy of the lease from Council.

As such I formally request Council supply a copy of the lease over this land which the lessee has lodged this development application.

Please supply at your earliest convenience.
