DEVELOPMENT APPLICATION DETAILS

Applicant Name and Address: D M Dunford
23 Stella Street
COLLARROY PLATEAU NSW 2097

Land to be developed (Address): 23 Stella Street COLLARROY PLATEAU NSW 2097

Proposed Development: Tree Removal (1)

Approved Development: Tree Removal (1)

DETERMINATION

Made on (Date): 29 June 2010

Consent to operate from (Date): 29 June 2010

Consent to lapse on (Date): 29 June 2013

Details of Conditions

The conditions, which have been applied to the consent, aim to ensure that the Environmental Impacts of Development are minimised and the Health and Safety of the community is maintained in accordance with the relevant standards.

NOTES:

- This determination relates to the condition of the tree/s at the time of inspection by Council and is limited to a visual assessment of the subject tree from ground level.
- The responsibility of routine inspection and maintenance of trees located on private property is the responsibility of the relevant landowner.
- Tree owners are strongly advised by Council to have their trees regularly inspected and maintained by an appropriately qualified person, to prevent the likelihood of branch or tree failure.
- Pursuant to Section 95(2) of the Environmental Planning and Assessment Act 1979, Council has varied the provisions of Section 95(1) and advises that this consent will lapse three (3) years from the date upon which the consent operates.
- Section 95A of the Environmental Planning and Assessment Act 1979, allows for an extension of 1 year to the period in which the consent will lapse, except for complying development. Such an application must be made in accordance with Clause 114 of the Environmental Planning and Assessment Regulation 2000.

FAILURE TO COMPLY WITH THE CONDITIONS OF THIS CONSENT MAY RESULT IN ON THE SPOT FINES BEING ISSUED, OR COUNCIL PURSUING ANY ACTION REQUIRED (INCLUDING LEGAL PROCEEDINGS) TO ENFORCE THE REQUIREMENTS WITHOUT PRIOR WARNING.

GENERAL CONDITIONS

APPROVED WORKS

1. Works

The following applies to the site:

(a) Trees approved for removal

This consent includes approval to remove the following trees:

Council Reference No:	Species	Location
1	Nigeria falcatus (Plum Fruited Yew)	Front setback adjacent to dwelling and driveway.

2. Replacement trees which must be planted

The following replacement tree species must be planted onsite to ensure the preservation of the landscape character of the locality.

No of replacement trees required:	Species	Location
1	Suitable Species.	Suitable location

Replacement trees are to satisfy the following:

- All replacement trees must be a minimum pot size of 25L at planting;
- All replacement trees must be of a species that will attain a minimum height of five (5) metres at maturity within five (5) years of planting;
- All replacement trees must be maintained until they reach five (5) metres in height;
- If any replacement tree dies prior to reaching five (5) metres in height that tree is to be replaced; and
- The replacement trees shall be planted within three (3) months of the approved trees removal.

Reason: To enhance the landscape character.

3. Approved Development and Supporting Documentation

Approval is NOT granted for any demolition or construction works.

Reason: To ensure the work is carried out in accordance with the determination of Council.

SITE REQUIREMENTS

4. Development Consent on Site

A copy of this consent shall be kept on site at all times during and up to six (6) months after the completion of works, so as to be readily available for perusal by any Authorised Officer of Council.

Reason: *To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information and to ensure ongoing compliance.*

5. Protection of Footpaths and Roadways

(a) The public footways and roadways adjacent to the site shall be maintained at all times during the course of the work in a safe condition.

(b) No trees on public property (footpaths, roads, reserves, etc.) unless specifically approved in this development consent shall be removed or damaged during construction including for the erection of any fences, hoardings or other temporary works.

Reason: *Protection of footpath and roadways.*

6. Silt & Sediment Control

Provision shall be made throughout the period of tree removal to prevent transmission of soil to the public road and drainage system by vehicles leaving the site.

Reason: *To avoid siltation to adjoining properties and waterways.*

7. No Work on Public Open Space

The applicant shall not enter or undertake any work within adjoining public lands (i.e. Parks, Reserves, Roads etc) without the prior written consent of Council.

Reason: *Protection of existing public infrastructure and land and to ensure public safety and proper management of public land.*

8. Kerbside restrictions, construction zones

The applicant's attention is drawn to the existing kerbside restrictions adjacent to the development. Should the applicant require alteration of existing kerbside restrictions, or the provision of a construction zone, the appropriate application must be made and the fee paid. Applicants should note that the alternatives of such restrictions may require referral to Council's Traffic Committee and may take considerable time to be resolved. An earlier application is suggested to avoid delays in construction programs.

Reason: *Proper management of public land.*

9. Noxious Plants

All lantana, privet, rubber trees, parateria, and other declared noxious plants on the site, shall be eradicated.

Eradication of noxious weeds shall be conducted within three (3) months of the approved works being conducted.

Reason: *To ensure that plants identified as weed species are not allowed to proliferate or interfere with a quality-landscaping outcome.*

10. Hours of Work

Works shall be restricted to within the hours of 7.00 am to 5.00 pm Monday to Friday and on Saturday to within the hours of 8.00 am to 1.00 pm inclusive, with no work on Sundays and Public Holidays.

The person acting upon this consent shall display, on-site, their twenty-four (24) hour contact telephone number, which is to be clearly visible and legible from any public place adjoining the site.

Where it is necessary for works to occur outside those hours allowed by these conditions, approval for such will be subject to issue of a permit on each occasion from Council's Customer Services Centre. Such permit must be obtained and the appropriate fee paid at least two (2) clear working days in advance of each relevant date. Such occurrence shall be limited to two occasions per calendar month and shall only be approved if public safety or convenience is at risk.

Reason: *To ensure that works do not interfere with reasonable amenity expectations of residents and the community. (DACGEch)*

11. Health and Safety

- a) The work undertaken must satisfy applicable occupational health and safety and construction safety regulations, including any WorkCover Authority requirements to prepare a health and safety plan.
- b) Site fencing must be installed (where required) sufficient to exclude the public from the site.
- c) Safety signs must be erected that; warn the public to keep out of the site, and provide a contact telephone number for enquiries.

Reason: *To ensure the health and safety of the community and workers on the site.*

12. Prohibition on Use of Pavements

Any person carrying out works permitted under this Development Consent shall ensure that Council's footpath is maintained in a safe way to ensure safe pedestrian access throughout any tree removal / pruning. Under no circumstances are any branches or other tree debris to be placed on Council's footpaths, roadways, parks or grass verges and a suitable sign to this effect shall be erected adjacent to the street alignment.

Reason: *To ensure public safety and amenity on public land.*

Right to Review by the Council

You may request the Council to review the determination of the application under Section 82A of the Environmental Planning & Assessment Act 1979. Any request to review the application must be lodged and determined within 12 months after the date of determination shown on this notice.

With regard to Tree Removal Applications, a review of the application will only be considered pending the receipt of additional supporting information to the original application through the submission of an Arborist (prepared by a suitably qualified person) and/or Structural Engineers report.

(Note: Arborist reports must comply with Council's "Guidelines for obtaining an Arborist Report".)

NOTE: Fees will apply for any request to review the determination.

Right of Appeal

If you are dissatisfied with this decision Section 97 of the Environmental Planning & Assessment Act 1979 may give you the right to appeal to the Land and Environment Court within 12 months after the date on which you receive this notice.
