Officer comments General Comments

This application is seeking consent for a change of use to an education establishment at 19 Sydney Road, Manly.

A review of the Statement of Environmental Effects has identified no excavation or disturbance of soil at no.19 Sydney Road therefore potential or actual acid sulfate soils are not a consideration for this proposed change of use.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.

Recommended Environmental Investigations Conditions:
