Dear Council,

Thanks for the notification regarding the Development application for 3 Beaconsfield St Newport.

Should the DA be processed in a timely manner, what time frame could myself (living in a nearby property of 249 Barrenjoey Rd, Newport) expect the works to commence?

There was construction/landscaping in Beaconsfield st also opposite 249 Barrenjoey Rd a few years ago and this went on for 2 years including Saturdays and many Sundays. Is this what might be expected in this case?

What time limits could be expected and days of the week? -I'd appreciate any information available in this regard.

Many thanks  
Michelle Spartalis
