RE: Mod2017/0063 - 80 Evans Street FRESHWATER NSW 2096

I live directly opposite the Harbord diggers and as a result have had to tolerate filthy laundry, filthy windows, filthy car, spilt concrete on my driveway, excessive noise before allocated working hours (trucks driving past in the middle of the night, crane being used at 5 a.m regularly, tradesmen taking a high proportion of the public parking. I really could go on and on. I oppose to this DA.
