Dear: Joel Shanahan

**RE: 8 FOREST RD WARRIEWOOD VALE – LETTER OF CONFIRMATION FOR ACCESIBILITY**

This letter has been provided as to make note that the make up from 66 to 72 units associated with 8 Forest Rd Warriewood Vale will not impact directly on sufficient access provision with regards to the overall building envelop and accessibility.

It is to be acknowledged that access to and within the adaptable units will be reviewed during the design stage of the development.

This review will ensure compliance is achieved in accordance with the DDA Access to Premises Standards and Adaptable Housing Code AS4299.

Kind Regards
