RE: DA2024/0466 - 45 McIntosh Road DEE WHY NSW 2099

Dear Officer

I am the owner of 43 McIntosh road, Deewhy. We are the eastern neighbour of 45 McIntosh road who has submitted their DA recently. We are in building process of addition of the second floor to our existing house. Our approved DA number is: DA2023/0790.

The proposed second floor of 45 McIntosh road has a tall Window 'W11" on their eastern boundary which will look over our western boundary windows including toilet/bathrooms. (We may leave the bathroom windows open as well as bedrooms to get fresh air). Please consider appropriate measures to serve our privacy regarding our western boundary windows. Kind regards.
