**RE: DA2021/0212 - 5 Skyline Place FRENCHS FOREST NSW 2086**

Hello

I would like to offer my support for the DA Application number :  
DA 2021/0212

I believe that this over 55's development will provide something that is needed in this community in particular for older residents who are looking to downsize from larger homes that they have been living in for many years.

The development has many advantages for older residents with its proximity to health services and transport and by its design and intention will create a community which will offer company and support for people as they age and in the event that they are left on their own with the passing of a partner.

I am so convinced of the merits of the development that my wife and I have purchased a unit there.

Regards

Robert Keir
