RE: DA2020/1351 - 1 Bilambee Lane BILGOLA PLATEAU NSW 2107

My family and I strongly object to this development application. The scope of non-compliance is broad - it does not meet compliance on height, density, landscaping, setbacks and building envelope controls. Bilgola is a leafy, peaceful, spacious suburb and compliance with controls will maintain and protect this atmosphere for its residents. Please reject this application and any updated plans must be significantly altered and completely compliant.
