Subject: McDonald's.

Councillor Grattan.

I live in Koorala Street in Manly Vale. I sincerely hope that you and the other Manly councillors are supporting the residents' fight against the plans for a McDonald's on our doorstep. It is wrong on so many levels. Anyone who knows this area would realise that. These plans need to be stopped in their tracks so that the owners of the building don't keep coming back with modifications.

Joyce Moyser.
