Dear Sir/Madam,

RE: Integrated Development Referral - General Terms of Approval
Proposed Development: DA2022/1000
Description: 80mm submersible pump
Location: 14-18 Wentworth Street & 19-21 Steyne Street, Manly NSW 2095

I refer to your recent referral regarding Integrated Development Application DA2022/1000 seeking consent for demolition, alterations, additions and construction of mixed-use buildings - Royal Far West, being Lot 100 DP 1276056 and Lot 101 DP 1247422.

WaterNSW has reviewed the proposed amendments. The information provided indicates that there are no changes to the water supply work to take groundwater.

The General Terms of Approval (IDAS1145460) issued on 5 October 2022 are still current and we have no objections to the proposed amendments.

Should you have any further questions, please do not hesitate to contact me via email to melissa.moyle@waternsw.com.au.

Yours sincerely
