Alterations and Additions to Existing Dwelling**

Attn: Penny Wood

Dear Penny,

Further to your letter dated 14th October 2020, please find attached revised plans in response to engineering feedback.

The proposed second carport and retaining wall has been repositioned to be perpendicular to the street with turning templates shown for a B85 vehicle. Proposed car space and driveway have been designed in accordance with Council's DCP21 Part B1 ad B3, and AS 2890.1-2004.

Should you require any further information please contact our office.

Yours sincerely,

Lindsay Little and Associates
