**RE: DA2025/0132 - 37 Roseberry Street BALGOWLAH NSW 2093**

the idea of a McDonalds on the corner is not a good idea.  
Do we really need another fast food shop!  
It will only result in further congestion to all the surrounding roads,  
Rosebery street, Kenneth Rd, round about which is regularly block with traffic and large  
delivery trucks to the supermarkets & Balgowlah rd also gets affected.  
Please don't let this happen.
