**RE: DA2020/0263 - 59 Myoora Road TERREY HILLS NSW 2084**

Firstly I'd like to ask that you keep this submission confidential, thank you. Secondly, I will be putting this submission in both for 57 Myoora Rd (DA DA2020/0264) and 59 Myoora Rd (DA2020/0263) as I understand there will be some cross-over of access between the properties so the issues relate to them both.

I am currently Vice President of the Terrey Hills Public School P and C and am putting in a submission because of concerns over the safety of children walking/scootering/cycling to and from school past the development. Children and families living on the North side of Booralie Rd, already have to deal with a fairly dangerous road crossing on Booralie Rd, and also the turning into the industrial areas in Tepko Road from Myoora Rd, on their way to school. Adding in another warehouse facility on this already busy major road in Terrey Hills means more potential for accidents. A number of children walk, scooter or cycle in to school without parents so this is even more of a safety concern.

With the proposed hours of operation being 6am to 6pm Monday to Friday this includes the peak time of 8-9.15am and 3-4pm when children are going to and from school. Please can council ensure that all measures are put in place to protect the safety of people at those times, such as clear signage, or even by limiting the deliveries/picks ups at those times Mon-Fri. Thank you.
