Attn: Anne-Marie Young

Dear Anne-Marie,

Development Application No. DA2020/1517
Address: 43, 45 & 49 Warriewood Road, Warriewood

Reference is made to the proposed development at the above area and Aboriginal heritage.

While there are no known sites recorded in the current development area, the area of the proposed development is considered as having moderate potential for unrecorded Aboriginal sites due to its position near a creek line and parcels of the proposed development area have not been previously disturbed.

The Aboriginal Heritage Office recommends a Due Dilligence Assessment be carried out for the land by a qualified consultant archaeologist. This would provide an assessment of any unrecorded or potential Aboriginal sites within the allotment, and advice on potential (direct or indirect) impacts to any Aboriginal site.

Under the National Parks and Wildlife Act 1974 (NPW Act) all Aboriginal objects are protected. Should any Aboriginal Cultural Heritage items be uncovered during earthworks, works should cease in the area and the Aboriginal Heritage Office assess the finds. Under Section 89a of the NPW Act should the objects be found to be Aboriginal, NSW Biodiversity and Conservation Division, Heritage NSW and the Metropolitan Local Aboriginal Land Council (MLALC) should be contacted.

If you have any queries, please contact me on 0435 643 205.

Kind regards,
Susan Whitby
