Building a Macdonald's Restaurant/Drive Through in this location will only cause more congestion. In the mornings and afternoons the traffic can be horrendous. It doesn't need more vehicles to increase the problems the area already faces. Another concern I have is the litter that people using fast food outlets leave lying around. I live miles from the nearest "Maccas" and often find burger wrappers dropped in the gutter outside my house. So, I'm against the proposal. Regards, Alec Cullen
