Comments on da2020/1172.... Mod 2021/0822

Dear Sir, I have no comments on the proposed Modification, however I do need clarification on the tree planting proposed for the boundary between 54 and 52 Bardo Rd. The proposed planting is very close to my boundary so I would like to know the type of tree and the height at which these trees will grow. If they grow more than 8.5m to 3m it would be a concern to me.

Best regards,

Roger Russell,

52 Bardo Rd. Newport.
