Subject: DA 2019/0845 68A QUEENSCLIFF RD

Hi council,

I am writing this e-mail to have my say regarding the proposal for 68A Queenscliff Rd. I am one of the owners of 48 Pavilion St Queenscliff and I'm very concerned about this project as It's going to block the views of all the apartments of our block. Not taking in consideration that there's no enough parking around Queenscliff already and this new project will put all the Queenscliff residents in even more pressure.

This project MUST NOT pass. It's madness.

Kind regards,

Flavia Martins
