RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101

hi

if this is approved to proceed, does this tower allow other telco's to access this tower or is it telstra only?

Could there potentially be future requests by other telco's to build more towers in the same vicinity should this be approved?

Has any other tower specifications been considered outside of the one being proposed?

What is the expected benefit resulting from this installation?

please supply answers to the above questions

regards
Scott
