RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I am opposed to this development. Putting a phone tower here was rejected in 2015 and 2017 and should be rejected again.

There has been no community consultation and to put this DA in during a pandemic when groups are restricted from mass discussion gatherings and when neighbours have not been notified is appalling.

Do not allow this to happen.
