RE: DA2020/0502 - 36 Bardo Road NEWPORT NSW 2106

Hi I object to DA2020/0502 Because of
Blocking Views Sunlight
Excess Traffic and Street Parking
Loss of existing Trees 1 Tree actually blew over in a Storm up against my Unit dislodging roof tiles and flooding my bedroom This tree had become exposed to the wind after atleast 12 mature trees where poisoned and cut down The treeloppers dropped large logs onto our pavement cracking Tiles
General noise from 12 units
The Building covers the maximum of the block rather than having lawn and space
Overcrowding
Loss of Value of our Units
Effect Rental Potential whilst Under Construction
6am Construction time
We were only notified by mail on 27.5

I just do not think it will suit Bardo road
Would you like to live next to it?
