Dear Council,

The owners of 127 Upper Clontarf St, Seaforth formally request approval to the modification of DA2020/0116.

We have discussed with owners of 129 Upper Clontarf St, the location of the staircase on their existing construction certificate and have asked for them to be moved next to the pool approved in REV2021/0011. This placement provides us more privacy and will improve the light for our private open space.
