RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I have just petitioned and had a positive result in getting a no parking street sign moved cornering Bangaroo and Winsome Avenue as it's dreadful getting out of Winsome Avenue as cars are constantly parked on the roads and traffic is constant. The thought of several more cars parked on Bangaroo St near the island and there are already Bus Stops which already cause traffic congestion would be dangerous. I'm all for child care provision, but this is a suburban area where young kids walk to the local schools independently and more traffic and reversing of cars onto the main road and bus route through the suburb will be a disaster.
