Dear Planning Panel and Rob Stokes,

I can't bear waking up to see more news of the last shred of community being destroyed by a development a community has so whole heartedly fought against.

The small businesses that have emerged on Robertson Road over the hardest periods of lockdowns has been a miracle and inspiration. These small businesses brought our community together. I look forward to coming to Robertson Road to find and support my favorite cafes and shops. Shops which are already established with a flourishing community.

Robertson Road and it's shops is the last of the charm we have of the Northern Beaches area. People travel to experience places like Robertson Road. If the DA is approved the uniqueness and charm of this area will be another loss to the Northern Beaches.

We need community now more than ever and not developments which will have a negative impact on the streetscape and amenity of Robertson Road.

Regards  
Linda Gregory
