RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

As an avid water sports enthusiast with young children and local resident, I would like to express my support for this DA as submitted. The proposed upgrades would add significantly to the community facilities available in the area.

The Fairlight/Manly area lacks such community access to sheltered waterways. An upgrade to this location is needed, and such a development is low impact and in keeping with the interests of the local community. The proposal to close down the non-environmentally friendly slipway and replace it with a community area can only be beneficial to residents and the wider community.
