**RE: DA2020/1351 - 1 Bilambee Lane BILGOLA PLATEAU NSW 2107**

The height of this development is appalling and not in keeping with the surrounding buildings and area. This is a residential area, not a town. The height would block the light and air from the residents already living in the units above the shops. There is already too much noise from the delivery trucks arriving early in the morning for the existing shops. I agree that it needs to be developed but not at this height. It needs to be reduced to be in line with what is currently there.
