RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102

We are against this proposal. As nearby residents, we struggle heading out during peak times already as it is. I am also concerned about the extra gas emissions which this will evoke to our Valley. It is very clear that parking is an issue around Macpherson St and Ponderosa Pde and I am extremely concerned that workers will be parking outside our complex and nearby during their shifts. I feel that this will destroy the area. Please consider our vote against this development.

Thank you
The Mitchells
